Report on Finishing Touch: Interview skill Training 2022-2023

A hands-on experience and thorough practice of interview skills allows a student to become more comfortable with the idea of an interview and thereby, helps him/her to ace any interview. Understanding its practical requirement and importance, the Naipunnya Training Department organised a four days' interview skill training session for the final year batches of the Department of Commerce from 13th to 16th June 2022 and for the Department of Computer Science and Department of English Language & Literature from 21st to 24th June 2022.

The Finishing Touch was provided offline as a dual certification by Sted Council & Rubicon in the most worthwhile manner, touching up on all the aspects needed to ace an interview, such as effective communication, body language, dressing, grooming, group discussions, resume preparation and mock interview.

The objective of this session was:

- To provide an opportunity for the students to practice interviewing with professionals and gain experience for acing an interview.
- To provide students with their feedback on their interview and help them become better prepared for their next interview
