Report of Faculty Development Programme

Faculty development programmes aim at enhancing the academic and intellectual environment in the institutions by providing faculty members with enough opportunities to pursue research and also to participate in seminars, conferences and workshops. Participation in such programmes empower individuals to learn and get exposure with effective and newer pedagogical techniques and gain expertise in diverse research methodologies. A two-day academic retreat was organized for the faculty members of Naipunnya Institute of Management and Information Technology, Pongam on the 27 and 28 June 2022 at Rajagiri College of Social Sciences, Kakkanad. Eminent resource persons shared their expertise in their respective fields. The topics covered included Application of ICT in classrooms, Outcome based teaching, Research and publications and Effective management of classroom dynamics. The interactive sessions discussed the various queries in detail. It proved to be an enriching experience for the participants.
