Subject: 5 Days Aptitude Training Program

This is to inform all final year students of the department of Computer Science that the placement cell will organize a Five-Day Aptitude Training Program from 28 July 2025 to 1 August 2025.

The Program will be conducted with the objective of enhancing student's aptitude, Logical reasoning, quantitative ability, verbal ability, and problem-solving skills to improve their placement readiness. All eligible students are instructed to attend the program regularly and actively participate in all sessions. Attendance for the training program will be mandatory, and students are expected to be present on time for all sessions.

Fr. Dr. Paulachan K.J.
Principal

REPORT

The PG Department of Computer Science of Naipunnya Institute of Management and Information Technology, Pongam, organized a Five-Day Aptitude Training Programme from 28th July to 1st August 2025 in collaboration with Pragmatix Learning EduTech Pvt. Ltd. The training was conducted at the MBA Block (Boys & Girls Retiring Room) from 9 a.m. to 3 p.m. each day. This initiative aimed to equip fifth-semester Computer Science students with the essential aptitude and reasoning skills required for campus placements and competitive examinations.

The sessions covered a wide range of topics including Quantitative Aptitude, Logical Reasoning, and Verbal Ability, alongside sessions on group discussions and interview techniques. Trainers from Pragmatix Learning engaged students with interactive lectures, real-time problem-solving tasks, and short assessments. Each concept was reinforced with guided practice and analytical exercises designed to strengthen speed and accuracy.

Students also received individual access to an online Learning Management System (LMS) containing topic-wise videos, mock tests, and practice sets. This blended learning approach allowed them to continue self-practice beyond the classroom, ensuring sustained improvement. The sessions witnessed enthusiastic participation from students, who showed remarkable interest in applying the strategies learned to solve complex aptitude problems.

The programme effectively enhanced the students' confidence and readiness for recruitment processes. The professional exposure and systematic guidance from the trainers helped them gain clarity about aptitude preparation and interview expectations.
