REPORT

The PG Department of English as part of its Walk with Scholar (WWS) programme organized an Interactive Session on the 09th of October,2025. An Interactive Session by III BA student – Immanuel Evan Joseph was conducted for the students of 1sem BSc IT students. The students' response to the interactive session was overwhelmingly enthusiastic.

This interactive approach not only facilitated learning but also encouraged the exchange of ideas and perspectives, enhancing the overall learning experience. The session was structured in such a manner where students were able to shed their inhibitions and express their opinions freely. The questions were meticulously crafted to cover a spectrum of topics for them to come out with their perspectives.

The Interactive Session served as a dynamic learning opportunity, allowing participants to deepen their understanding of the topic –ADVANTAGES & DISADVANTAGES OF GAMING. While honing their critical thinking and analytical skills, the friendly yet competitive atmosphere encouraged healthy exchange of ideas and inspired students to express themselves effectively. The speaker was able to connect with the students' opinions regarding addiction towards gaming as he himself was addicted to it. It was an eye-opener for the students to evaluate themselves in this area. Overall, the session was a great success.
