REPORT

The Meraki seated assembly themed **"Cerebro" (Logic Day)** was conducted by the **Second Semester B. Com A** students at the **Main Block Seminar Hall** on **29 January 2026 from 1:30 p.m. onwards**. The programme was organised under Meraki with the objective of promoting creativity, student engagement, and awareness of value-based themes associated with the Logic Day.

The **Third Year B. Com A** students attended the programme as the audience. The event was effectively anchored by **Mr. Amal Roy and Ms. Anmariya**, ensuring a smooth flow of events. The assembly began with the **Hymn of Grace** rendered by **Ms. Rameesa and Ms. Anu George**, setting a calm and reflective tone. This was followed by the **Welcome Speech** delivered by **Ms. Ann Rose**, who warmly welcomed the gathering and briefly introduced the significance of the theme *Cerebro*. The segment **"Celebrating Icon"** was presented by **Ms. Souparnika and Ms. Sivananda**, focusing on the life and entrepreneurial journey of **Elon Musk**, highlighting his humble beginnings, innovative mindset, leadership qualities, and inspiring contributions to the global business world.

The **News Pulse** segment, presented by **Ms. Jismi, Ms. Anu George, and Mr. Serin**, covered important campus, national, and international developments relevant to commerce and society. This was followed by a presentation on an established company by **Ms. Abhishek and Ms. Shivapriya**, who explained the growth, brand identity, and global presence of **Hallmark**, emphasizing its relevance to festive celebrations and its focus on creativity and emotional connection with customers. An interactive **quiz segment**, conducted by **Ms. Souparnika and Ms. Anamika**, generated enthusiasm among the audience and encouraged active participation, with winners receiving gifts. The programme also linked global observances with the theme **Logic Day – Cerebro**, highlighting values such as hope and gratitude. **Audience feedback** was presented by **Ms. Anmariya**, sharing reflections on the programme's organisation and content. The **Vote of Thanks** was delivered by **Ms. Souparnika**, expressing gratitude to the faculty, participants, and organisers. The programme was evaluated by **Ms. Sonya Thomas, NAAC Coordinator**, who appreciated the students' efforts, coordination, and thematic relevance while providing constructive feedback. The Meraki seated assembly concluded on a meaningful note with a **patriotic song performed by the team**, marking the successful completion of the event.
