REPORT

Objective: To give an exposure to students with regard to real business experience through earning.

This report provides a brief overview of our Friday Market, which turned out to be a great success. On 20 June 2025, it was the turn of the Third Semester B. Com A Batch to organize the event. Our class set up stalls offering a variety of items such as Fruits, Bread, Pickle, Chocolate, Vegetables, Plants and more.

We received constant support and guidance from Ms. Malavika, throughout the event. The products saw excellent sales during the break time, with enthusiastic participation from both teachers and students.

By keeping our prices affordable, we were able to achieve impressive profits. The dedication and teamwork of all our classmates, along with the leadership of our class in-charge Ms. Rinku, played a crucial role in making the event a remarkable success. Every member of the class contributed wholeheartedly, ensuring the smooth and successful execution of the Friday Market.
