CULTURAL VISIT TO GANDHI SMRITI

REPORT 2022

Celebrating the 75th of Independence Day, the PG Department of English organised a cultural visit to 'Gandhi Smriti' at puranattukara in Thrissur with a view to reaffirming our common nationhood, patriotism, and love for a country that embraces all Indians in a shared narrative of hope and aspiration. The first year MA English Language & Literature students literally assimilated an obvious outlook on the chronicle that is deeply rooted there. Mahatma Gandhi laid the foundation stone for this Gurukul in Thrissur. It was nightfall, by the time he arrived at puranattukara in Thrissur, where he was greatly persuaded to see the activities at the monastery. On his 150th birth anniversary, hundred portraits of Mahatma's life would be exhibited at the Gandhi Smriti. As far as our college is concerned, the students have never ever visited and experienced these kinds of monuments & museums, which were built mainly to bring them into the rich cultural heritage of the place we live. This meaningful journey inspired the students to explore its history, culture & socio-political background.
