Circular

The Department of Fashion Designing, Naipunnya Institute of Management and Information Technology (Autonomous), will organize an Outreach Programme visit to Kripa Sadan Old Age Home, Karayamparambu, as part of its community engagement and social responsibility initiatives. The outreach visit will be conducted on 29/01/2026 at 11:00 a.m. with the active participation of students and faculty members of the department.

The programme will aim to inculcate values of empathy, social responsibility, and humanitarian concern among students through direct interaction with the inmates of the old age home. During the visit, students will engage in meaningful interactions and activities that align with the objectives of the outreach programme, thereby gaining practical exposure beyond the classroom.

The outreach initiative will provide students with an opportunity to understand societal realities and contribute positively to the community. The programme will be well organized and is expected to receive appreciation for its intent and execution, making it a meaningful and impactful experience for all participants.

REPORT

The Department of Fashion Designing organized an outreach programme titled **"Onnikkam"** for the first-year **B.Sc. Costume and Fashion Designing** students with the objective of promoting social responsibility and community engagement. As part of this initiative, the students visited **Kripa Sadan Old Age Home, Karayambaram**, accompanied by **Ms. Alakananda, Faculty of Fashion Designing**.

During the visit, the students interacted with **15 elderly women and sisters** residing at the old age home. The students spent meaningful time engaging in conversations and learning about their life experiences. As a gesture of care and compassion, **tea and snacks were served** to the residents, which was warmly appreciated.

To enhance the spirit of the programme, the students organized **entertainment activities** such as singing and interactive sessions. The elderly residents actively participated and accompanied the students during these programmes, creating a joyful and friendly atmosphere. The interaction helped in building emotional connections and spreading happiness among the residents.

The outreach programme proved to be a valuable learning experience for the students, fostering empathy, kindness, and social awareness. Overall, the **Onnikkam outreach programme** was a meaningful and successful initiative that benefited both the students and the residents of Kripa Sadan Old Age Home.
