Date of Event: 29/01/2025

Faculty-in-Charge: Ms. Shajitha T B

REPORT

The Department of Computer Science organized the Alumni Meet **"Reconnect 2025"** on 29 January 2025 in HM Block (Room No. 119). The meeting provided a platform for alumni to reconnect with their alma mater, share their professional experiences, and discuss opportunities for strengthening the relationship between the department and its alumni.

The meeting commenced at 10:00 a.m. with a silent prayer. Mr. Jayakrishnan, Head of the Department of Computer Science, welcomed the gathering and expressed his happiness in seeing the alumni return to interact with the department and students. During the session, the alumni shared their professional experiences and insights gained while working in various companies. Their discussions highlighted current industry trends, workplace expectations, and career development opportunities for students. The Head of the Department emphasized the importance of maintaining strong alumni connections with the department. He encouraged alumni to contribute to the growth of the department through placement support, industrial interactions, career guidance, and other academic and professional initiatives. The participants also discussed internship opportunities for current students. The alumni assured their support and agreed to explore possibilities for facilitating internships through their respective organizations.

The session concluded with a Vote of Thanks proposed by Ms. Shajitha T. B., Associate Professor and Alumni Coordinator, Department of Computer Science. She thanked the Head of the Department, alumni members, faculty, and all participants for their valuable presence and contributions to the success of the programme. The Alumni Meet "Reconnect 2025" was a fruitful and engaging event that strengthened the bond between the department and its alumni. The interaction provided valuable guidance for students and opened avenues for future collaboration in placements, internships, and industry engagement. After the department wise alumni meet, the participants joined the Common Alumni Meet. The programme included the inauguration of the new building and the celebration of NAAC A++ Grade. The event provided an opportunity for alumni from different departments to come together and participate

in the celebrations. The Common Alumni Meet concluded at 4:00 p.m. after the successful completion of all scheduled programmes.
