REPORT

The PTWA meeting for the parents of final year UG students was held on 10 February 2026. These students have been associated with the college for the past three years, and the college gratefully acknowledged the constant support extended by their parents during this period.

The programme began at 10:15 AM with the annual Thanksgiving Mass for Catholic students and parents at the Navarang Auditorium. The Holy Mass was celebrated by Rev. Fathers Paul, Jimmi, Disto, and Jithin.

After the Mass, the PTWA meeting commenced at 11:30 a.m. at the Hotel Management ATR. The meeting began with a prayer led by Kevin and Delmi of the B. Com class. The welcome address was delivered by Chef John Kizhakuden, Secretary of PTWA. Rev. Fr. Paul delivered the Presidential Address, during which he thanked the parents for their continuous support and cooperation. He also highlighted the proud achievements of the institution, including the attainment of NAAC A++ accreditation and autonomous status. Rev. Fr. Disto offered felicitation and conveyed his blessings and best wishes to all final year students. The Vice Principal extended heartfelt wishes for success to all final year students in their future endeavours.

Dr. Joy Joseph Puthussery interacted with the parents and shared valuable insights, and later expressed thanks for their active participation. Parents shared their experiences regarding their children's three-year academic journey in the college. Many parents expressed their gratitude and gave positive feedback about the institution. One parent from the Hotel Management department remarked that Naipunnya College helped in shaping students into true professionals. The mother of Devanarayanan, a physically challenged student from the BCA class, especially appreciated the teachers' concern and the personal care shown by the Principal towards her child.

In the Vote of Thanks, Ms. Shyni Sunil appreciated the dedication and care shown by teachers towards each student and highlighted how warmly the college treats parents as part of the Naipunnya family.

The meeting concluded at 12:45 p.m., followed by lunch arranged for the parents.
