- DETAILS OF THE JOURNEY
  
- COMPANY PROFILE
  
- GROUP OBSERVATION
  
- CONCLUSION

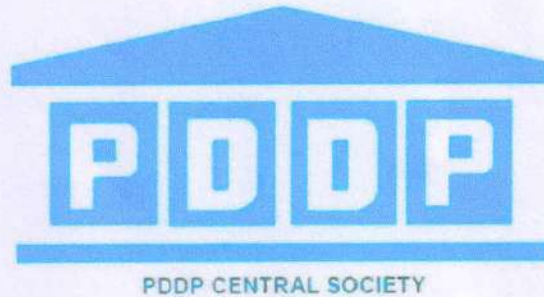

NAIPUNNYA INSTITUTE OF MANAGEMENT AND INFORMATION TECHNOLOGY (NIMIT) had organized an industrial visit on 10 August 2022 to PEOPLES DAIRY DEVELOPMENT PROJECT (PDDP) located in Kalady.

The visit was organized by HOD of Commerce Department Prof. Dr. Mathew Jose. Ms.Noble Devassy and Mr. Jeffin antony were the co-ordinators faculty for the industrial visit. We started travelling from the college campus at 10.30 am via our college bus. Totally 27 students along with 2 coordinators faculty were there in the journey.

## **PEOPLES DAIRY DEVELOPMENT PROJECT**

PEOPLES' DAIRY DEVELOPMENT PROJECT (PDDP) is a Charitable Society under the Travancore Cochin Literary Scientific and Charitable Societies Registrations Act of 1955. The Society was registered in 1983. It is an ISO 22000:2005 Certified Dairy. It began with one village with 60 liters of milk per day, nothing but a trickle compared to them good it has become today. Today PDDP collects, processes and distributes nearly 1 lakh litres of milk and milk products per day on behalf of more than 200 societies owned by around 30 thousand member farmers.

Their mission is to achieve continual improvement in the procurement, processing and marketing of quality milk and milk product in harmony with our customers' needs and regulatory requirement through the involvement of dedicated and trained employees.

Fr. Joseph Muttumana, the Founder Chairman of PDDP, has given the people of Kerala a rich legacy, a legacy of inspiration, encouraging, enabling and above all, a participatory leadership. Fr. Joseph was a simple, humble, loving, generous, understanding and above all one who gave great respect to his fellow beings. He is very much remembered by the farmers of Kerala especially for his respect to humanity. He started his work basing on the motto of the Father of the Nation, "Growth of the Nation depends on the growth of the village." Started the social service with poultry, he then changed to the cow rearing scheme. Thus in 1973,

PEOPLES' DAIRY DEVELOPMENT PROJECT, the first dairy development project in Kerala was started. The primary members were 10 farmers and the daily collection was 60 ltrs per day. By 1983 the collection increased to 5000 litres of milk from different 30 societies. The collected milk was given to MILMA, a co-operative society governed by the Kerala Government.

PDDP became a registered society in 1983. PDDP searched for its own marketing strategy which lead to a new well accepted, PDDP BRAND MILK in the market. The hardworking of Fr. Muttumana and the efforts of farmers and staff became a strong foundation in the relationship between PDDP and customers Fr. Muttumana was the Chairman of PDDP for 26 years (1973 to 1999). During this period, PDDP flourished to different places of Ernakulum and Trichur Districts, from 10 members to 30,000 farmers and processing 50,000 ltrs of milk per day.

- This Industrial visit is very helpful in our future practical Life & bring a positive change in our thinking & practical behavior regarding Education & specializing our technical skills.
- Got practical knowledge about the advancement in technology of machines
- Treatment of waste water for agriculture purpose
- Different types of machines available for making products.
- Management of manpower and machines

We are thankful for all our faculties for organizing such an Informative event for us in crucial for development of our skills & other activities.

We got the knowledge on different types of machines used in PDDP and had an opportunity to research on it.

We hope to get more chances further to have such an informative & wonderful experiences of visiting different industries.
