REPORT

An orientation program on the Kerala Public Service Commission (PSC) examinations was conducted on 6th March for Degree students. The session was led by Ms. Noble Devassy, Assistant Professor, PG Department of Commerce, NIMIT who served as the Resource person. With her extensive experience in preparing for and successfully clearing multiple competitive examinations, Ms. Devassy brought valuable insights and practical guidance to the participants.

The orientation marked the first formal PSC awareness session for degree students, making it a significant milestone in their academic journey. Ms. Devassy provided a clear and comprehensive overview of the Kerala PSC, explaining its role, structure, and opportunities available through the Commission. She emphasized the importance of early preparation and consistent effort for success in competitive exams.

A major highlight of the session was the step-by-step guidance on registration procedures. Ms. Devassy explained how students can create profiles on the official PSC website, navigate the portal, and apply for examinations. She demonstrated the website interface, ensuring that students gained practical knowledge of the process rather than just theoretical information. The orientation was highly interactive and detailed, with students receiving answers to their queries about eligibility, exam patterns, and preparation strategies. Ms. Devassy's clarity and enthusiasm inspired confidence among the participants, motivating them to take their first step towards competitive exam preparation. In conclusion, the orientation by Ms. Noble Devassy provided students with a well-rounded understanding of Kerala PSC examinations. It not only introduced them to the registration process but also instilled awareness of the opportunities and challenges ahead. The session proved to be an invaluable resource for degree students embarking on their journey into competitive examinations.
