Circular

Dear Students,

The Department of Hotel Management is pleased to organize a **Workshop on Fruit and Vegetable Carving** from **5th March 2026 to 11th March 2026**.

The workshop is designed to provide students with comprehensive training in the art of fruit and vegetable carving, an important decorative skill widely used in the hospitality and food service industry. The programme will focus on developing creativity, precision, presentation skills, and artistic techniques required for enhancing buffet displays, banquet presentations, and culinary exhibitions.

Through intensive hands-on training sessions, participants will learn various carving methods, design concepts, tool handling techniques, and industry standards followed in professional kitchens. The workshop will enable students to improve their artistic abilities while gaining practical exposure to a specialized area of food presentation.

Programme Details

Report

Art of Decoration with fruits & Vegetable -The art of carving fruit or vegetable is within reach of everyone. From mere initiation to advanced improvement, we at the NIMIT, give an added advantage to our students of attending a training session specially designed for them which enables the students to acquire mastery in the skills needed to translate your ideas into sophisticated forms through fruits & vegetables. The art of carving fruits and vegetables originated during the period Sukhothai in the 14th century in Thailand.

For our students to master this art, we organize Fruit Carving Workshop sessions by International School of Carving, Master Carver Mr. T. P Joy every year at the Department of Hotel Management at NIMIT Pongam Campus. Mr. Joy is a carver who creates many designs using fruit and vegetable. Our students are always excited to have a first-hand experience of carving skills and look forward for these sessions of Fruit & Vegetable Carving at our campus.

The objectives of this Fruit & Vegetable Ice Carving workshop was to make the Students learn basic gestures and technique or technique improvement of carving fruits & vegetables. The students improved their artistic expression and developed their creativity by giving free expression to their imagination. The students learnt to bring elegance to their meals and to their table. They combined beauty, finesse and taste The students learnt how to flatter the eye of their guests or customers by combining decoration and gastronomy. The students learnt to make the decoration profitable by always considering the costs and time constraints.

Above all, fruit carving is an art and today it is one of the most valued professions and is highly paid.
