Report on Finishing Touch for Hotel Management: Interview skill Training
2022-2023

Interviews provide an opportunity to build affinity with professionals. It also takes immense preparation and skill on the part of the interviewee to make a good impression on the employer. Cracking an interview and getting selected for a job position is a challenging task and therefore, the Training Department of Naipunnya College, Pongam organized a four day skill training session to hone interview skills for the final year batches of the Department of Hotel Management from 26th to 29th September 2022.

Finishing Touch was provided in offline mode as a dual certification course by Sted Council & Rubicon in the most effective manner touching up on all aspects required to ace an interview. The program included training sessions on effective communication, body language, dressing, grooming, group discussions, resume preparation and mock interview.

The objective of this session was:

- To provide an opportunity for students to practice interviewing with professionals and to gain experience for acing an interview.
- To provide students with their feedback on their interview and help them become better prepared for their next interview

The 4-days intensive training session for the Department was conducted by two high spirited trainers of Rubicon – Ms. Madhumita and Mr. Saravana Perumal, at different venues in the campus.

The program commenced simultaneously at two venues and the trainers were introduced by the HoD of Training, Ms. Rajani and HoD of Hotel Management, Mr. Robert Fernandez. The three final year batches were divided into two groups and training was held at two venues - Sarang and MBA seminar Hall.

The sessions concluded with a formal valedictory function at Sarang Auditorium. Ms. Rajani Stanley hosted the event. All students were given time to share their feedback about the four-day session. The students who performed well were appreciated and 3-star performers were honored by the trainers. The HOD of the training department acknowledged the trainers for their service and Mr. John Kizhakkuden, Asst Professor of HM Department gifted them with a token of appreciation.

On gathering the feedback of both the sessions, it was apparent that the training was remarkable and indeed beneficial in preparing students to perform well in the forthcoming interviews with readiness and confidence.
