**Date of event: 13.10.2022**

**Faculty In-charge: Mr. Sam Jose**

## REPORT

Participated in the Webinar on Blockchain Technology: Oracle Academy-ICTAK on their Forthcoming Free Programs for Information Communication Technology Academy of Kerala (ICTAK) Premium Member colleges. The session covered the significance of blockchain technology from an Oracle expert, Mr. Sharath Babu Thirunagiri. In this free virtual event helped to learn about blockchain technology along with critical information on how to apply this technology. Also helped to learn how it will benefit students in the future and gain information in the areas: What exactly is blockchain? How does it apply to the industry? How do blockchain applications work? What is the significance of this technology in the future? Why is it important for faculty and students to have access to this knowledge?

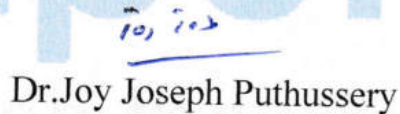

The seminar made more productive and efficacious with the inclusion of interaction and question answer session.
