## **Report on Career Guidance and Campus Placement Drive Sessions.**

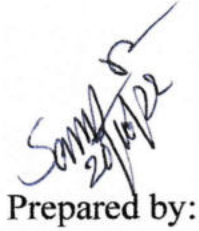

A Career guidance session and campus placement drive were organized by the NIMIT Placement Cell along with all course coordinators from academic departments under the title 'TAGLIO' on 13<sup>th</sup> October 2022. The resource institution for the event was Codea Technologies, headquartered in the United States of America, operating from Info Park Kakkanad on request by the NIMIT placement cell. The event had two sessions.

The program commenced at 11:30 am in the seminar hall, main block and the first session included a career guidance speech. The session began with a silent prayer. A welcome speech was delivered by Ms. Maria Joy, a student representative of the campus. The career guidance session was taken by Mr. Jaison Olickal, Director and Solution Architect at Codea Technologies.

Mr. Jaison, in his speech, pointed out that most clerical jobs are under threat in the immediate future because of emerging technologies and new trends in such domains. He discussed the high-end opportunities for both life coaching and image coaching as career opportunities in the future.

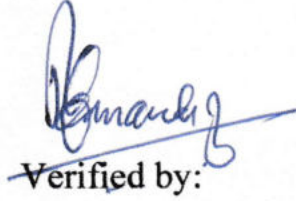

Becoming a life coach would allow someone to bring a positive change to a client's life and ensure they reach their full potential. Life coaches work with clients and help them tackle different situations and identify personal strengths to accomplish goals in specific areas. If someone is empathetic, it might prove beneficial to learn more about this job role to make an educated decision. He also discussed what image consultants do. He mentioned the importance of having knowledge about what is written in the resume before appearing for interviews. Most candidates are ignorant about this and confront the interviewers without proper knowledge about what they have applied for. The speech continued for 25 minutes and the session ended with a vote of thanks by Ms. Reshmi B Kiriyaath a student representative. Copy Writing, Sales and Marketing, and Web Developer Intern were the three title of interviews conducted thereafter and finished at 3.30 pm.

**FEEDBACK**

Both Career Guidance session and Interviews were executed well and good. Students were happy to interact with Codea Technologies team. Mr. Jaison and his team informed that some of the students are shortlisted out of all categories of interviews conducted and they are asked to send their resumes for further rounds of interviews. Below are the list of short listed students for different positions they have applied for.

**Amal – Digital Marketing**

**Santo Shaju B Com- Sales and Marketing**

**Sonat Johns B Com – Web Designing**

**Sreelakshmi BBA- Digital Marketing**

**Rojith Joy- Software Development**

**Abhijith Wilson- Software Development**
