REPORT

The students from Naipunnya Institute of Management and Information Technology were taken to Thrissur to make them understand the atrocities happening on women every day. One of the reason for such incidents to happen again and again is the women's silence. Silence out of fear So students were made aware about the helpline number, and also about a trained Policewomen to attend them round the clock The Helpline not only provides an emotional pad to women in distress, but also access to voluntary social organisations and legal aid cells. The students got an idea on various projects and aids which are there for women empowerment. Women desk is an aid which helps women in distress. Nirbhaya application helps women in times of trouble. Aparachita online is also there for women who are really helpless. There are other projects like Hope for backward community, Shishuvikasana vakippu, Child helpline number, Bhoomiga is for sexual harassment .Kudumbasree for women. All these awareness were given to the students.
