REPORT

The Department of Hotel Management organized an Industry Interaction Session in collaboration with Savana Tours and Travels Kochi, which was held on 11th October 2022 between 11:30 pm to 12:30 pm for the final year students of BSc.HM CA and BSc.HM CS batches. The Resource Person for the event was Mr. P.P Augustine CEO of Savana Tours and Travels Kochin. The session was aimed at providing a platform for the students to have an industry expert session that would help the students get an insight into the hotel industry much before they start their training during their final semester.

The resource person explained about the hotel group and the various hotels under the hospitality sector, and about the vast job opportunities. There was a very informative talk about the latest trends in the in-hotel industry. He emphasizes the importance of ODC, Industrial Exposure Training, etc which will add extra benefit to their profile.

There was a practical and fruit full discussion question and answer session where the students asked their doubts and queries as to what they are going to face during their Training period and post placements. Active participation and interaction were seen during this session. There is a vast difference between theory and practicals and the department is focusing on having real-time testimonials and talks by highly successful managers of the Hotel industry to help the students understand the industry better.
