REPORT

Objectives

- To assess the writing and comprehending skills of students in the English language.
- To analyse strong and weak areas of a student in the subject

Report

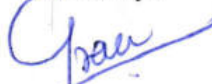

An ability test was conducted by the English Department for the first year B.A. English students on 14 October, 2022. The purpose of this test was to determine a person's knowledge and ability in English language as well as to analyse their strengths and weaknesses. The students were made to answer a question paper out of 20 marks. The duration of the exam was 1 hour. The form included questions to assess their grammatical sense and creative writing skills. The ability test helped the teachers to get an awareness of where a particular student requires extra care and attention.
