REPORT

YES (Youth Empowerment Series) is Training Department Initiative where our Institution and DePaul Institute of Science and Technology (DIST), Angamaly joined together to mould the young talents through this Student Exchange programme. This YES Initiative was between two colleges as well as two universities too. Student Exchange programmes create opportunities for participants to learn, to prosper, and to work with others, to solve shared problems and ensure adoption of new culture also. YES –Series 3 mainly focused on the title “Dining Etiquettes” and the session was efficiently and effectively handled by Mr. Robert Fernandez, HOD-Department of Hotel Management. The programme included Theoretical as well as the Practical sessions and was very interesting and informative for the students.
