IEDC Orientation Workshop

for

District-level Department Workshops - YIP 5.0

Naipunnya[®]

To reach the unreachable

Date of event: 12.01.2023 to 13.01.2023

Faculty In-charge: Mr. Sam Jose

REPORT

Kerala Startup Mission (KSUM) conducted two days training for the “Facilitator of District Level Workshops of Young Innovators Programme” (YIP), exclusively for Innovation Entrepreneurship Development Centre (IEDC). Participants are IEDC Nodal Officers (Facilitators + Co-facilitators), K-DISC Members, MuLearn Members. The objective of this workshop is to enable the IEDC facilitators to have a clear understanding of the District Workshops and ensure that they understand their roles in the same. The facilitators will then enable the interns in their role. This will ensure a clear cascading of roles and responsibilities from the facilitators to the interns.

Young Innovators Programme is a specially designed programme under Kerala Development and Innovation Strategic Council (K-DISC). The programme aims to empower future innovators to innovate new products, services or models to meet emerging requirements, unarticulated needs, or existing market needs of the society more effectively through an innovative challenge. The Young Innovators Programme (YIP) is K-DISC’s flagship project that promotes innovation for real life problem solving among the youth in the age group of 13 to 37 years in the state. In the YIP, the issues in the districts are collected and converted into problem statements and handed over to a group of experts called the Community of Practice (CoP) and compiled under the name of Shelf of Problems. This contributes to innovation formation for students participating in YIP. The two days training was conducted in Hotel South Park, Thiruvananthapuram on 12th and 13th January 2023. More than 100 participants attended the programme from all over Kerala.
