About Naipunnya

Naipunnya Institute of Management and Information Technology (NIMIT) is a NAAC Accredited premier institution affiliated to the University of Calicut. "Naipunnya" in Sanskrit means 'dexterity' or 'mastery'. NIMIT, as the name signifies, aims at professionalism, discipline, and holistic development of the aspiring students. This center for excellence provides a conducive learning environment and caters to the ever-changing needs of the student community.

Objective of the Award

Naipunnya Excellence Award, instituted to honour Rev. Fr. Dr. Paulachan Kaithottungal in his silver jubilee is a great platform for the students of higher secondary levels to gain experience, to show case their skills, develop their ideas and uncover personal aptitude. Apart from challenging the students, we are also rewarding the best school based on their cumulative points in various events conducted.

Challenges

1. *Anweshan* (Exploring the unexplored)

Testing the literary skills through film review and translation

The PG Department of English, is planning a competition focusing on contemporary films with the broad objective of instilling interest in Cultural Studies vis-a-vis films and its subtle / apparent social dynamics. Since films are treated as 'un-academic subjects conventionally, their present canon status mandates academic exploration in the changed circumstances. The evaluation will be based on vocabulary and writing skills of the participants, their capacity to summarise and describe a work in an interesting way and their ability to capture the spirit of the material.

2. *Milleuz Ouzriez* (Hospitality Skill Competitions)

Mocktails, flower arrangements and junior chef competition

The Department of Hotel Management has formulated three competitions to provide a platform for the participants to showcase the skills and talents. These competitions focus on the three core areas of the department. Mocktail competition focuses on those are interested in Food & Beverage Service department. The Junior Chef competition is for those who are into preparing mouth-watering, creative and innovative food. The Flower arrangement competition is for students with high creativity, sense of colour and aesthetics.

3. *Nimittrepreneur* (Business Plan Contest)

Think smart, be innovative

The PG Department of Commerce presents Nimittrepreneur - Business Plan competition to inculcate business research aspirations among the students. Students are advised to conduct research analysis on the aspects related to socio-economic life and prepare a 'Business plan proposal report' suitable to the present and the future market conditions keeping in mind the ongoing and post pandemic situation.

4. *Tech-Explorica* (Explore, Exhibit and Execute)

Explore, exhibit and execute technical skills

Tech-Explorica from the PG Department of Computer Science focuses on generating technical and commercially viable solutions through scientific research endeavors from students that can become spin-off start-ups or companies. It is important that the solution or idea emanates from self-developed innovation and creativity. The submitted ideas should offer sustainable solutions to real-work challenges which satisfies market needs.
