REPORT

As a part of our Industrial visit, we went to KDHP (Kannan Devan Hills Plantations) company (p) Ltd. We went with Chef John and Chef Prabakaran on 5th January to visit KDHP company. We took our pass worth Rs. 50/- per head and then we went inside and they showed us a short video of 10 min about their history and the different varieties of tea that they are manufacturing. Then one of their staff came and gave us a short briefing and explained about the different kinds of tea and their specialities. The interior of the factory was fully covered with glass due to hygiene reasons and we saw the manufacturing process of tea through the glasses. It was a wonderful experience for us. And then we went to their store and purchased some of their tea products.
