To reach the unreachable

Date of event:10/01/2023

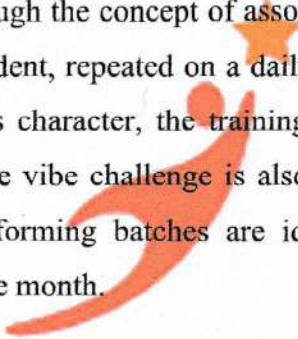

Faculty In-charge:Ms. Vandana C H 

REPORT

Be-Hub is the prestigious initiative of the Training Department. This program aims at bringing a positive behavioral change in each student through the concept of associative learning. Recognizing the fact that the simple but healthy actions of a student, repeated on a daily basis becomes his habit within a month and gradually will become part of his character, the training department introduces a Healthy Habit every month. With this habit a positive vibe challenge is also introduced, so that the entire batch can perform as a team and the best performing batches are identified. Selection criteria were clearly mentioned based on the challenge of the month.

Habit of the month of January was 'New Mind New Me'. The positive vibe challenge introduced with the habit was to change the life by moulding a new mind in the New Year.
