## REPORT

Be-Hub is the prestigious initiative of the Training Department. This program aims at bringing a positive behavioral change in each student through the concept of associative learning. Recognizing the fact that the simple but healthy actions of a student, repeated on a daily basis becomes his habit within a month and gradually will become part of his character, the training department introduces a Healthy Habit every month. With this habit a positive vibe challenge is also introduced, so that the entire batch can perform as a team and the best performing batches are identified. For the month of February, the habit was "Express Gratitude". Here the Student community get a chance to express their gratitude to each and every persons in the campus who associated with them in all their endeavors.
