

Centre for Innovation Extension and Continuing Education (CIECE)

Online Orientation Programme

for

Third edition of Professional Students Summit (PSS-23)

Date of event: 02.02.2023, Thursday

Faculty In-charge: Mr. Sam Jose

REPORT

Professional Students' Summit (PSS) is Kerala's largest and most diverse congregation of professional students from varied disciplines and institutions to put forth ideas to build a better Kerala. Noted academicians and industrialists will share their inspiring stories of success to encourage students to excel in their chosen fields, and inspire them to seize opportunities that arise in the state and the country. The government initiated PSS through the State Planning Board and the Department of Higher Education in 2019. GoK had assigned ASAP Kerala as the official organizer of the event. PSS 2023 is being hosted on the special interest of the Hon'ble Chief Minister of Kerala, who believes that by bringing together professionals who have already carved out a niche for themselves and the state, and students aspiring to establish careers in the same field, the latter will draw inspiration to aim for a promising future. The objective is to initiate a conversation on sustainable career choices, and inspire students to excel in whatever they aspire for and seize every prospect that comes their way to create a competent Kerala and foster a knowledge economy. Over 2,000 professional students from 2nd to 4th semesters of 300 colleges of Medicine, Law, Engineering, Management, Agriculture, Fisheries and Veterinary streams will congregate to hear from Industry Icons.

Online orientation meeting for all the faculty coordinators held on 02.02.2023, Thursday, 3.00pm.
