### Report of Outreach Activity

The outreach activity of fourth Semester B. Com CO was conducted on 23rd February 2023. As part of this activity, the students visited Santhi Bhavan at Angamaly and spent some time with the inmates. Students provided them with grocery items such as rice and pulses. As this was the last activity on behalf of the outreach events from the institution, the inmates expressed their gratitude to the college and to the class.

Thus, the class has successfully completed the assigned activities with Santhi Bhavan. Students expressed their satisfaction of having stretched out a helping hand to the orphanage students in the institution for a time period of 2 years.
