REPORT ON EARN WHILE LEARN INITIATIVE OF ED CLUB **EXHIBITION AND SALE**

The **Flea - Side Up Festa Angamaly - Exhibition & Sale** Co-ordinated by our Alumni, Ms. Elsa Maria Sunny and her partner in association with Rotary Club Angamaly was held on November 11 & 12 (Friday and Saturday) at CSA Auditorium Angamaly. A part of the fund from this event will be used for the Palliative Care, Angamaly.

11 students of NIMIT from PG Department of Commerce actively involved in volunteering service and took part in the exhibition and sale by arranging two stalls, Food Court and Item Stall.

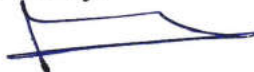

This is indeed a great opportunity for our students to explore the real world of business and to join the noble cause of supporting the **Palliative Care, Angamaly**. The students were actively involved in the exhibition and sale to support the good cause by arranging the stalls for two days and they were able to experience the real life marketing.

The exhibition was a great success with many entertainment programmes like Musical Band and Workshops, Food Court, Kitchen wares, Kids wear, Clothing & Jewellers etc. It was an "Earn While Learn Initiative of ED Club" of Commerce Department for empowering our student community through real time training programmes. Certificates were distributed to all the 11 participants.
