A report on Face 2 Face 2022...An opportunity to meet the candidates of the College Union Election 2022-23

Face 2 Face 2022 – A formal programme coordinated by the training department to provide the entire student community an opportunity to meet the candidates of the college union election 2022-23 was conducted on 07/11/2022 from 1.15 – 4.00 p.m. at Navarang Auditorium. Ms. Rajani Stanley, HoD of Training Department introduced the programme and thus welcomed the gathering. Fr. Dr. Paulachan K J, Executive Director and Principal and President of the College Union Election gave a message and thereby wished all the candidates the very best for the upcoming election and also put across the relevance of voting and bringing the right leader to make a change. Few days prior to the meeting, the training team took the lead to train the candidates to present themselves for the programme and briefed the entire layout of the programme.

There were totally twelve posts for the college union council and twenty two candidates contesting for the same. Mr. Sebastian Poonolil and Ms. Gigy Johnson were the moderators and each candidate contesting for the election was introduced and all were given an opportunity to elaborate on their agenda. A panel of teachers and student representatives were given an opportunity to ask questions to the candidates. Dr. Antony George, Returning Officer, briefed the students about the election schedule and rules to be followed by the voters and the contestants. Thereafter the programme ended with the National Anthem and vote of thanks to all participants.

A review meeting was held to evaluate the outcome of the programme and the following points were noted:-

- The programme was conducted in a very professional manner providing the candidates a prospect to present their agenda to a crowd of more than thousand people, also giving them an opportunity to answer the queries and substantiate their view.
- The efforts made by all the candidates were significant. Earlier the title of Meet the Candidate was Kurushetra and the Training department changed the title in to Face 2 Face. It was appreciated by the entire campus.
- Technical problems related to audibility were noticed in the auditorium and should be resolved.

The training department is thankful to all for their support and for the resources extended to execute the programme in a proficient manner. We owe our gratitude to all the teachers for maintaining good discipline in the huge auditorium. We also place on record our sincere thanks to the questioning panel, IT

Department, and the non-teaching staff for the cooperation in coordinating the programme. A special appreciation to all the candidates for coming up with their confident and upright presentation on their stance also taking part in the briefing sessions very positively. Last not the least the training team could devise the whole show as per the plan only because of the good coordination by the students of Leading Hands Programme who stood very assertive with the coordinators throughout the day.

Thank You All.
