**2021-2022**

**Conducted by IV Semester BSc CS**

**Date of Event: 12-02-2022**

**Report :**

As part of the Snehasangamam activity of this year, we the students of BSc CS visited Akashaparavakal situated in the town of Edakkunnu, which is an old age home known to home the elderly. Accompanied by our current class in charge Ms. Shajitha T.B, the days we visited the old age home, ie, 5<sup>th</sup> February and 12<sup>th</sup> February, on 5<sup>th</sup> February we had a small session with the inmates where we all had a good time interacting with the inmates and we also got to watch their dance and singing activities. We did a need analysis on what items they need, after a brief need analysis we made a list of items and on the next consecutive day we went to buy the items and we got 5 bedsheets, oil, shampoo, sugar, detergent, paste, washing soap. After buying all the items we went once again on 12<sup>th</sup> February and gave them the items that they need and had a small interactive session followed by a prayer. It was a wonderful experience. Apart from previous years, due to the current situation we had Snehasangamam through online platform this year. It was a heart touching experience and we will look forward to do the needful things to make the CSS activities much better.
