

<p>4.3.1.</p> <p>Q_nM</p>	<p><i>Institution frequently updates its IT facilities including Wi-Fi</i></p> <p>Describe IT facilities including Wi-Fi with date and nature of updation within a maximum of 200 words</p> <p>Response:</p> <p>The technically competent NIMIT has continued to grow to provide a platform for students to blend with modern teaching facilities. NIMIT has classrooms equipped with LCD projectors and high-speed internet to support the IT-based teaching and learning methods. The college has a total of 198 computers, 104 of which are in the laboratories, 4 in the digital library, 33 in the classes and the rest in various offices, departments.</p> <p>The college also has a language lab equipped with the language lab software. WIFI and LAN are available in all labs, departments, offices and the library. NIMIT is its advanced digital library with computers for accessing digital materials via DELNET and J- GATE. The available bandwidth is 50 Mbps. The college has a special software called Nimit.Linways for online academic services (AMS) to calculate students' attendance and grades. In the library, the system for borrowing and returning books is digitized using the Koha automation system.</p> <p>Covid-19 has been a major upheaval in recent times, posing a threat to education. However, NIMIT has managed to find solutions to these challenges. Platforms like Zoom, WebEx, Teams, G Suite, Sener etc. are used for the smooth conduct of classes, meetings and programs.</p>	<p>05</p>
