Report of Naipunnya “REACHING HANDS” Programme

Naipunnya REACHING HANDS was a joint venture of the National Service Scheme and Computer Science department of NIMIT. The programme aimed at extending help to the students of government schools who are in need of necessary items in their school. The school selected for the programme was Govt. LP school, Chully .

Students of III Sem BCA, I Sem BCA, III Sem BSc CS, I Sem BSc CS sponsored two whiteboard, duster and markers to the institution. Students of respective classes along with NSS coordinators visited the institution and handed over the items to Headmistress Ms.Laly T.J on 19/11/2021. This initiative helped us to compensate the lack of number of boards in Govt LP School, Chully as it was a time of offline classes. Our motive was to “Reimagine a better world for children “.
