Naipunnnya Institute of Management and Information Technology **Report of Garden Making**

As part of the school reopening, on 30-10-2021, NSS unit of Naipunnnya Institute of Management and Information Technology (NIMIT) along with the third semester B. A. English students made a beautiful garden in St. Mary's L.P. School, East Koratty. The programme was held from 10:00 a.m. - 12:30 p. m. Students bought nearly fifty flower pots including hanging pots and planted beautiful ornamental plants and flowering plants in the pots. The plants were also bought by the students from their home. The programme enhanced the unity and cooperation among students. It also provided them an opportunity to love and protect nature. It was really a great help for the school authority as the school reopens on 1st November after a long gap of one and a half years.
