Sub: Requisition for to organize Thrissur District Senior and Sub Junior Korfball Championship 2022

The Thrissur District Senior and Sub Junior Korfball Tournament is held every year. Our College in Korfball is a well-known institution at the state level. To sustain this and grow a little more in Korfball, our College needs to organize more competitions at the state and district level. Due to the special interest of the State Korfball Association, a request has been made to conduct this year's district competitions at our College. It is good that all our students have the opportunity to participate. If we conduct the competitions, more students will be selected for the Thrissur district team. The cost of taking our students to another college and participating in it can be avoided if done at our college. The district competitions are scheduled to be held on Thursday, 11th August 2022. There will be only one day of matches. I humbly request permission to organize these competitions. I request a positive response.

Thanking You

Yours Faithfully
