Academic Report for the Undergraduate Batch: 2020-23

"Knowledge is power. Information is liberating. Education is the premise of progress, in every society, in every family, in every individual."

A very good morning to one and all.

Respected dignitaries on the dais, distinguished members in the audience, staff members, parents, guardians and my dear students.

As this academic report for the undergraduate Batch of 2020-23 goes out, Naipunnnya is in its Silver Jubilee Year with service to the society through education. I am glad over the vast strides made during the past years especially when our undergraduate batch of 2020-23 were with their campus life at NIMIT.

The Covid-19 pandemic was incredibly challenging for college students especially this batch of students of 2020 admissions, with the pandemic pushing universities online to remote learning. The change was long overdue. Naipunnnya Institute of Management and Information Technology, being a Self-Financing College in Kerala, accredited with NAAC B++ Grade and being ISO certified for Quality Education stood up to all the demands of time to keep up the benchmarks, ensuring the preparedness, adoption and use of virtual learning. The batch 2020-23 started their academic pursuit with Nidarsana 2020, an online initiation ceremony for all our Freshers in the campus on 2nd November 2020, where in His Grace Archbishop Mar Antony Kariyil presided the meeting online then and Hon. Justice Kurian Joseph, Former Supreme Court Judge appeared online to deliver the Vidyarambham message. It was indeed a totally new experience for all of us over the augmented reality platform and the entire programme being live-streamed on the YouTube channel. Taking into consideration the increased feelings of isolation and depression as students were unable to socialize and make connections as easily as they could prior to the pandemic, the training department designed the induction session to be done differently, by providing a first time face to face meeting session of the teachers and students also an opportunity to visit the campus and explore its facilities. The blended mode of learning was incorporated effectively with the faculty members integrating two different learning modes into a cohesive whole, combining the face to face and online-learning through interactive resources, quizzes and gamified learning platforms. Bridge Courses were offered for the programmes. The academic stature of the existing faculty had also improved tremendously with several faculty members upgrading their qualification with various online opportunities.

The teaching systems and the curriculum applicable to this UG batch, was the revamped Choice Based Credit Semester System-UG-2019 regulation with the revised syllabus which came into effect for 2019 admission for the 7 Programmes namely,

BA English Language and Literature, B.A. B.Sc. Computer Science,

B.Com, BBA and

B.Sc. Hotel Management & Catering Science/Culinary Arts, the batch of students who are presently in the industry, with the B.T.

Pangam, Koratty East, Thrissur District, Kerala State, India. Pin- 680308

The curriculum includes common, core, complementary and open courses with a total of 120 Credits including specialization courses. The academic program objectives are aligned with ability enhancement courses as directed by UGC with a total of 16 credits aiming at developing an attitude of concern for the environment, understanding of gender and insight into the constitutional and institutional aspects of human rights. Assignments and Seminars were the internal assessment components to ensure active participation in the learning process. Classes and Examinations were held online using LINWAYS-the learning management software in the first few semesters and later resumed to offline classes and examination. E-library access was provided to all. The students were continuously assessed through internal examinations and viva-voce. The evaluations were followed up with peer teaching support and PTA meetings. The rapid transition to online instructions did not negatively impact student performance but have marginally increased their marks thus rewarding us for the willingness to use variety of delivery modes to move forward. University results of the five semesters declared till date have eventually proved very positive on the efforts put by the students.

Walk with scholar programmes with advanced learners and Student Support Programmes with remedial coaching was catered according to the need and requirement from time to time. A total of six add on courses were given to this batch across departments, such as:

- Microsoft Office Specialist Programme / Diploma in Indian and International Finance / Tally ERP 9 - In the Department of Commerce.
- SWAYAM Course on Introductory Concepts to Digital Computing and Workshop on Python Programming - In the Department of Computer Science.
- FoSTac Training on Basics in Food Safety and Basics in Bakery, NSIC Certification courses on Trainee Chef and F & B Service Traineer - In the Department of Hotel Management.
- STED Council Certification Programme for Soft Skill Training imparted by the In-house Training Team.

Innovative methods and new contents in the curriculum were witnessed where in the students made right use of the openings to shine while they participated in various seminars, workshops, inter-collegiate fest and competitions conducted by various associations keeping the academic year equally eventful and enticing. Events such as Beemance, Zentrix, and Chintney Soca - were the Management, IT and Literary inter-collegiate fest conducted by the academic departments. The hard work and effort of five students of the Department of Computer Science for their creative innovation in Robotics - EVA was indeed great input by the batch. The students also observed the relevant days through Morning Assemblies and MERAKI-The Class Forum. Aarti, Omni Celebration, Swaraaj, Independence Day Celebration, Navratri - Christmas Celebration and College Day were enjoyed in the true spirit of oneness with the support of the Student Council body. The study tour towards the end of the final year was another exciting venture for many. Vismaya- The Arts Day Celebration and Viva- The Annual Sports Meet were very well participated by the students, bringing a lot of winning movies to script.

This academic report also reflects how we navigated the challenges faced during the transition period, the change in the college timings - rescheduling the college time to a longer period in the campus for worthy engagements in academic and extra-curricular. Together we reaffirmed our position to overcome challenges by organizing a financial support programmes and rebuild mission projects to keep all students with us. Support webinars, internship opportunities and virtual industrial visits, were arranged by the departments.

Mentoring a structured guidance and learning relationship to drive students to a more productive outcome was regularly organized receiving an extended positive support for needy parties from PRATHIBH our Counselling Center. With the IQAC in campus, Earn and Learn initiatives, community services, outreach and extension activities were encouraged. Sochaangamam the distinctive programme of NIMIT was coordinated online by the 2020-23 batch serving the under-privileged inmates of various institutions.

More services had been added to the students in the area of extra-curricular activities and value inculcation as well as campus living with the training department through Skill Enhancement Programme such as HI-HUB, Super Sweeps, Power Talks, Finishing Touch, Leading Hands Programme and Karros. A number of students bagged several prizes for various competitions held outside. Through SELEZIONE 2023, the college was able to identify students who have excelled in every area, during their three years of journey at NIMIT.

The Award for the best outgoing student of NIMIT for the year 2022-23 was titled to Mr. Christina Sebastian of B.Com Finance (R).

- The best outgoing in the Department of Commerce was awarded to Mr. Alvin Joy of BBA.
- The best outgoing in the Department of Computer Science was awarded to Mr. Dason Thomas of B.Sc CS.
- The best outgoing in the Department of Hotel Management was awarded to Mr. Edwin Thomas of S.Sc.HMCS.
- The best outgoing in the Department of English was awarded to Ms. Mariya Joseph of BA English.

The students have also excelled in doing projects and making presentations in national/international conferences and the faculty takes pride in the fact that their research represents a variety of disciplinary perspectives. The physical education department has strived hard to bring glory through participation in sports and games in the university, state and national level sports and games having a number of strong players from this batch enabling them to bag the overall fifth position in the university. Few registered students were able to secure placements where the interview procedure was completed and offer letters are awaited.

The last three years seemed affluant and green, but there are still more pastures to be made. I give thanks to God, the Almighty, for guiding us all through the difficult period and holding us all in the strength of his arms.

Education is a joint responsibility between committed teachers, aspirational pupils, and eager, high-aiming parents. I want to officially express my sincere gratitude to everyone for their efforts. Every student's accomplishments can be attributed to their own effort as well as to their parents' inspiration and support. I appreciate the amazing support from all of the parents and our stakeholders. I want to take this moment to genuinely thank all my co-workers, superiors, our Father leaders for all the guidance and support they have extended during this period and pushing us to a challenge to grow.

Beyond all, a BIG Thanks to my students. Today's ceremony is the capstone of your entire educational experience. It is like reaching the point of your life when you don't have the arrival of maturity and responsibility. It's time for the students to reconnect with faculty members, seek blessings and move ahead to greater heights.

Wishing each one the very best for a bright and new beginning!

Thank you.

AAROHAN 2022 – Programme Completion Ceremony

Thank You Note

Dear All,

Congratulations!

Together we could make the day beautiful and memorable for all and especially our students

My sincere appreciations to each of you as every committee did all their assignments perfectly well.

Even though there were new added responsibilities given to Class Teachers and many other academic activities happening simultaneously in the campus.. everything went on fine as all members supported each other.

Our Aarohan coordinator was patiently following up with each committee thus collaborated with the objectives more effectively. A special appreciation to Ms Laiby for leading the team.

I thank all our Fathers, MTM, Teaching and Non-teaching for all the support for the program.

I specially appreciate and thank..the Class Teachers and the students who very religiously and promptly cooperated to maintain the flow of the program.

Thank you
