Date of event: 18/03/2023

Faculty In-charge: Dr.Soni P M

REPORT

The Department of Computer Science conducted a collaborative activity with the Department of Computer Application at SNGIST Group of Institutions on 18-03-2023 at 3.00 pm. Dr. Soni P M was the Resource Person for the topic ‘Research oriented approach for solving datamining applications’. Around 30 students attended the workshop in the online mode. The basics of datamining and the research oriented approach for solving datamining applications such as classification, clustering and association rule mining were explained in the workshop using a case study of loan credibility prediction.
