REPORT

Earn while you learn is a new initiative in Naipunnya Institute of Management and Information technology, so that our students are adapted to a work atmosphere. Two of our students from the P.G Department of English worked inside NIMIT and was provided with a remuneration. Mr. Abhinand Jeenesh from II M.A English worked as Assistant Gym Trainer in our campus and he received a stipend of Rs. 3500 for his work. Mr. Jesbin Joseph worked as Video Editor for the training department, he received a stipend of Rs. 3000 for his work. This initiative Earn while you learn provided opportunities to the students to earn while they are learning through part-time jobs. Instead of going for regular studies of graduation and post-graduation, students prefer to go in for short term professional courses so that they start earning at a young age.
