## REPORT

In the recent times, to engage students and prepare them for the real world, college and universities organize college fests and encourage students to participate and showcase their latent talent. These multiple cultural events, technical fests, celebrity performances, competitions, make you confident and job ready. College fests and activities provide opportunities to interact with your peers and form new connections. Candidates who can multi-task, take initiative, effectively communicate and are enterprising have better chances of getting hired.

While organizing any event, students stumble upon new people and build their network. Most of these activities are group-oriented due to which students get to know about people from different cultural backgrounds and interests. These healthy interactions not only enhance interpersonal and communication skills of students but also prepare them for the real world. The department took initiative in sending students for the various management fests conducted online and offline by different institutions inside and outside Kerala. Our students won accolades for the best management team, marketing game, HR game and business plan.

During the academic year 2022-23, almost 150 students participated in 29 inter college fests conducted in various colleges across the state. The participants had a great opportunity to grab fabulous prizes, appreciations, and outstanding learning experience. Though each and every contestant showcased their skills in the best way, few star performers Daison Thomas (3rd BSC CS), Akhil Benny (3rd BCA) and Stanley John (2nd BCA) brought accolades to our institution.

Prepared & verified by,

Ms. Rajani Stanley

(HOD, Training Department)

Approved by,

Rev. Fr. Dr. Paulachan K J

(Principal)
