

INTERNAL QUALITY ASSURANCE CELL REPORT 2022- 23

Annual Report of the NIMIT Internal Quality Assurance Cell (IQAC) encapsulates our commitment to ensuring and enhancing the quality of education at NIMIT. It provides a comprehensive overview of our initiatives, accomplishments, and future directions in maintaining academic excellence.

The year began with strategic plans and initiatives set forth by the IQAC to promote and ensure the quality of education at NIMIT. These initiatives served as the foundation for our efforts in fostering academic excellence throughout the year.

IQAC initiatives for the academic year 2022-23 are the following: -

1. Naipunnnya Endowment Lecture Series

As part of silver jubilee celebrations NIMIT has taken initiative to conduct Mar Antony Cardinal Padiyara commemorative Lecture series which will be held every year in the Revered Memory of Archbishop Mar Antony Cardinal Padiyara for his inspiring vision and invaluable contribution in establishing Naipunnnya college at Pongam in 1998'. This year the talk was on 7th December, 2022 at 11:00 am in Nivedika (seminar hall, Main block, NIMIT). The guest of honour was eminent speaker Shri K. Jayakumar IAS, former Chief Secretary of the Government of Kerala, who is also a Poet, Lyricist, Translator and Script writer. The topic of the session was "Managing Change for Excellence". The dignitaries from various institutions, vicars, mother superiors and representatives of parents and alumni were invited for the programme. Selected faculties and students from NIMIT also attended the programme.

2. National and World Recognitions

NIMIT and its initiatives have garnered significant recognition and accolades. Some notable recognitions include:

- **Universal World Record 2022:** The final year students of the Hotel Management department organized the Mandi challenge, preparing 25 different mandis, which was recognized in the Universal World Record 2022. This achievement highlights the innovative and culinary skills of our students.
- **Excellence in Education Award:** NIMIT received the Excellence in the field of Education award from the honorable Minister for Higher Education, Govt. of Kerala. This recognition acknowledges our institution's dedication to providing quality education and fostering an environment of academic excellence.
- **Excellence in Student Outreach & Industry Engagement 2023:** ArdorComm media group awarded NIMIT for Excellence in Student Outreach & Industry Engagement. This recognition demonstrates our commitment to bridging the gap between academia and industry, preparing students for real-world challenges and enhancing their employability.

These recognitions showcase the remarkable achievements and contributions of our institution and students in various domains, further strengthening our reputation as a center of excellence in education.

3. Campus T.V

Naipunnya Digital, the campus channel of our institution, is an exciting new initiative launched by the Training department. The primary objective of this initiative is to discover and showcase the hidden talents of our students on screen, with their creative ideas and thoughts taking center stage. Through this channel, we have been able to explore and showcase the remarkable talents within our student community, fostering a platform for their artistic expressions to flourish.

4. Green Campus

In a collaborative effort between the Kerala Agriculture Department (Institutionalized Organic Farming) and the Bhoomitrasena club of Naipunnya Institute of Management and Information Technology, an organic garden was established on our campus on 16.12.2022. The initiative aimed to promote sustainable and organic farming practices within our institution. Students from the Bhoomitrasena club actively participated in the cultivation and harvesting of the vegetables from the garden, fostering hands-on learning experiences in agriculture and environmental stewardship.

5. Counseling and Training centre

In an effort to expand our services to the public, we launched the Pratidhi-Naipunnya Centre of Happiness and Wellbeing, which was inaugurated on 31.08.2022. This initiative has been highly impactful, providing valuable support to parents and individuals in the nearby community. Through counseling sessions, workshops, and seminars, Pratidhi has successfully assisted many people in overcoming personal challenges and improving their overall quality of life. The center has received positive feedback from the community and plans to continue its efforts to promote happiness and wellbeing.

6. E-Assist Program Computer Literacy Program:-

The Department of Computer Science, in collaboration with Koratty Grama Panchayat, organized the Extension Programme E-Assist with the objective of providing E-Literacy to the people in Koratty Grama Panchayath regarding the e-governance services offered by the panchayat, village, KSEB, and health departments. Students from NIMIT, Pongam, were appointed to assist the people in Koratty Panchayat and create awareness about these e-governance services. The inauguration ceremony took place on 01-07-2022 at 10.30 am in the Main Block Seminar Hall, with Prof(Dr.) Jiju P Alex, a member of the Kerala State Planning Board, inaugurating the session. Additionally, a training session was arranged for the students at Naipunnya college on the same day to prepare them for their role in assisting the community.

7. Mega Alumni Meet.

As part of the silver jubilee celebrations, NIMIT organized department-wise alumni meet (online) on 26.12.2022, with participation from almost all the batches. This was followed by a mega Alumni meet, where alumni from all batches starting from 1998 participated. The event was a remarkable success, and it was an honor for NIMIT to host such a fabulous gathering, reconnecting with alumni and celebrating their achievements

8. Permission of Health walk in campus to local residents

In line with our objective of promoting a healthy society, we have inaugurated a health walk and yoga center for the public. The center was opened on 15 August 2022, aiming to provide facilities and guidance for individuals to engage in regular physical exercise and practice yoga. This initiative reflects our commitment to fostering the well-being and overall health of the community.

9. Library access to public

The NIMIT Library has extended its services to the public, allowing access from 8:30 am to 6:30 pm. This decision was made to provide an opportunity for the wider community to benefit from the resources and facilities available in our library. By opening its doors to the public, NIMIT aims to promote knowledge sharing and facilitate learning among individuals beyond the institution's boundaries.

10. Foreign Language Cell

The Foreign Language Cell at NIMIT has been instrumental in promoting the learning and exploration of German, Italian, and French languages. The cell organized various activities, including language courses and workshops, to provide students with opportunities to develop their language skills and cultural understanding. These activities aimed to create a dynamic and immersive language-learning environment, enabling students to engage with different cultures and foster their linguistic abilities in German, Italian, and French.
