REPORT

Mr. Sebastian Ponnolly, assistant professor, Department of English, accompanied by two students of the department, Albin and Pranav, visited Deva Matha Hospital in Koratty on July 11 2023, as a part of the moving library initiative conducted by the Post Graduate Department of English. Mr. Sebastian along with the students presented a collection of books and magazines collected from the students, faculty and the library of NIMIT. The books were thoughtfully selected to cater to the diverse interests of readers from various age groups. The hospital staff warmly received the books, expressing their appreciation for the thoughtful endeavour of the department.

The event highlights the importance of fostering a reading culture within medical institutions. Books can provide solace, comfort, and knowledge to patients during their stay, offering a respite from their medical concerns. By adding new books to the library, the event aimed to enhance the overall reading experience for the hospital's visitors and patients. The availability of diverse reading materials is expected to contribute to a positive and uplifting atmosphere within the hospital, supporting the emotional and mental well-being of those undergoing medical care. Overall, the book donation event at Deva Matha Hospital was a heartwarming and meaningful gesture, exemplifying the power of literature to create positive change and support the community in times of need.
