The session was led by alumni and entrepreneur in the field of candle decor Ms. Bincy Devassy. The session began at 2:15 p.m with a silent prayer. Aishwarya Rajesh Welcomed the resource person and the technical session was an informative demonstration rather than hands-on participation. Ms. Bincy showcased the art of candle making, including various techniques, different types of molds, and creative options such as printing photos on candles. Students from different departments attended, benefiting from an informative insight into the craft of candle making and its potential for entrepreneurial endeavors. The session was concluded at 2:30 p.m. with a thanks note by Thomas Sijin, secretary, ED Club. The brief yet engaging workshop served as a creative break from academics, offering students a glimpse into the world of candle making.
