Report of Dress donation Drive

The drive was organized in association with Sahrudaya Welfare Services, a registered charitable and nonprofit organization based in Ernakulam district of Kerala State. The aim of this initiative was to provide clothing assistance to those affected by the recent unfortunate events in Manipur.

The primary objective of the Dress Donation Drive was to extend our support by collecting gently used or new clothes, preferably new, to donate to the affected individuals and families in Manipur. Additionally, study materials such as bags, pens, pencils, and other essential items were also encouraged for donation.

The Dress Donation Drive was held from 12th July to 19th July. The outreach coordinator from each class was responsible for collecting dresses and materials. Donations were to be dropped off at the Counsellor's room during the designated break time. It was emphasized that all donated clothes should be clean and wearable, and the name of the class should be written on the cover, containing the donations.

The response from the students was overwhelming, and we received a significant number of donations. The students generously contributed items such as school materials, sarees, cotton clothes, kids' wear, shirts, bed sheets, and general clothing. The contributions were carefully sorted and packaged, ensuring that only new or spare items of the best quality were collected.

On 20th July 2023, the students handed over the donated materials to Sahrudaya Welfare Services, Ernakulam. The collected items were provided with a comprehensive inventory, categorized for easy distribution to the beneficiaries in Manipur.

The Dress Donation Drive was coordinated by the SWAS club under the banner of NSS and the students of the 3rd semester B. Com Finance A. Their hard work and dedication contributed to the overall success of the program. The event was well organized, ensuring a smooth collection process and maintaining the quality of the donations.

In conclusion, the Dress Donation Drive for Manipur victims was a commendable outreach activity. With the support and contributions of our students, we were able to collect substantial amount of clothing and study materials to aid those affected by the unfortunate events. We express our gratitude to Sahrudaya Welfare Services for their partnership and assistance in facilitating the collection and distribution process.
