REPORT

Interviews provide an opportunity to build a personal rapport while having a professional conversation. Depending on the type of industry, interviews are conducted for a variety of purposes. Cracking an interview and getting selected for the job position is considered to be a challenging task. Having a right skillset for the respective job designation is a major concern. Considering this, the Training Department organized a four days interview skill training sessions for the final year batches of Department of Hotel Management from 20th to 23rd June 2023.

Finishing Touch, the interview skills training, was provided with certification by Rubicon touching up on all aspects needed to ace an interview. The resource persons for the days were Mr. G. Saravana Perumal and Ms. Madhumita Giri. The program commenced simultaneously at two venues and the trainers were introduced at each venue by Mr. Robert Fernandez, HOD Hotel Management Department and Ms. Rajani Stanley, HOD Training Department.

The objective of this session was:

- To provide an opportunity for the students to practice interviewing with professionals and gain experience for acing an interview.
- To provide students with their feedback on their interview and help them to perform better for their next interview.

On gathering the feedback, it was apparent that the trainings were remarkable and indeed beneficial in preparing students to perform well in the forthcoming interviews with readiness and confidence.

FEEDBACK

This report analyses the feedback on the content of the training provided to the students. The data were extracted from the feedback form shared to the participants. Overall the content of the training was appreciated by the participants. The purpose and the outcomes were regarded as relevant and meaningful. However, the participants suggested to increase interactive sessions and games.
