REPORT

Elders' Haven-PAKALVEEDU, a noble community project, has been initiated by the compassionate students of Naipunnya Institute of Management and Information Technology. This endeavor is dedicated to extending care and support to elderly individuals residing alone in Koratty Grama Panchayat. With loneliness emerging as a significant concern among senior citizens globally, this initiative strives to address the issue through the provision of essential day-care services to our respected elderly.

The "Elders Haven" project, in partnership with Koratty Panchayat, has successfully initiated a tele-counseling service aimed at providing essential support and counseling to the elderly members of the community. The programme ensures easy access to counseling services for elderly individuals. The service is available from 10 a.m. to 12 p.m. from Monday to Friday and provides free counseling support to elderly individuals experiencing mental health challenges.

The primary goal of the Elder's Haven Tele-Counseling Service is to address the mental health needs of elderly individuals, offering support and guidance during specified hours, through free counseling sessions. The service is provided free of charge, emphasizing the commitment in supporting the mental well-being of the elderly population. Ms. Reni. V. Kalayil, Counsellor, NIMIT, provides tele-counseling services for the elderly. For individuals seeking counseling support, the contact number for the Elder's Haven Tele-Counseling Service is 9447306055. As a part of the Tele-Counseling Service, on November 8, 2023, Ms. Reni V. Kalayil led a group of students for a visit to the panchayat. The main aim of this visit was to inaugurate the tele-counseling service and distribute tele-counseling posters across 19 wards in the panchayat, thereby expanding the programme's outreach within the community. Panchayat President, Mr. P.C. Biju, and Standing Committee Chairman, Adv. Sumesh, delivered speeches and provided felicitations during the inauguration.
