REPORT

Interviews provide an opportunity to build a personal rapport while having a professional conversation. Depending on the type of industry, interviews are conducted for a variety of purposes. Cracking an interview and getting selected for the job position is considered to be a challenging task. Having a right skillset for the respective job designation is a major concern. Considering this, the Training Department organized interview skill training sessions for the final year B.S, CS, BCA, BA & BBA batches from 19th July to 21st July.

Finishing Touch, the interview skills training, was provided with certification by Rubicon coaching up on all aspects needed to ace an interview. The resource persons for the days were Ms. Madhuvitha Giri, Mr. G. Saravanan Permal and Ms. Arjuna Vijay. The program commenced simultaneously at three venues from 9 am to 4 pm and the trainers were introduced at each venue by Mr. Jayakrishnan S, HOD CS Department, Ms. Rajani Stanley, HOD Training Department and Ms. Elsa Jose, Faculty Training Department respectively.

The objective of this session was:

- To provide an opportunity for the students to practice interviewing with professionals and gain experience for acing an interview.
- To provide students with their feedback on their interview and help them to perform better for their next interview.

Finishing Touch 23-24, concluded with a formal valedictory function at MDA Seminar Hall on 21st July. Ms. Rajani Stanley, HOD Training Department hosted the event. Rev. Fr. Dr. Paulachan K. J, Principal & Exe. Director acknowledged the trainers for their service and gifted them with a token of appreciation. From every class six students were present, the best performers were appreciated and awarded by Rev. Fr. Alan George Vallyyevettil, Asst. Exe. Director and Ms. Emily Ittichan, Director Centre for Examination.

On gathering the feedback, it was apparent that the trainings were remarkable and indeed beneficial in preparing students to perform well in the forthcoming interviews with readiness and confidence.

FEEDBACK

This report analyses the feedback on the content of the training provided to the students. The data were extracted from the feedback form shared to the participants. Overall the content of the training was appreciated by the participants. The purpose and the outcomes were regarded as relevant and meaningful. However, the participants suggested to increase interactive sessions and games.
