REPORT

On December 1, 2023, at 11:30 AM, an impactful initiative took shape on the ground floor of NIMIT's Main Block. Under the guidance of the Women Cell and inaugurated by Ms. Emily Ittiachan, the Director of Examination, students came together to launch an "Honesty Box" dedicated to the collection of sanitary pads within the college premises. The primary objective of this initiative was to address the need for accessible sanitary pads within our college community. It aimed to promote menstrual health awareness and ensure that all students have easy access to essential hygiene products. The Women Cell took the lead in implementing this innovative initiative, introducing four Honesty Boxes strategically placed in different areas of the college. The event concluded with a vote of thanks by Angelina I B. Com A, a representative from the Women Cell. She expressed gratitude to Ms. Emily Ittiachan, the principal, faculty members, and students for their support in making the Honesty Box initiative a reality. The event marked a significant stride towards fostering an ethical and supportive environment at NIMIT College.
