## REPORT

On November 23<sup>rd</sup>, 2023, an initiative was undertaken by the students of NIMIT under the guidance of the Women Cell to create an "Honesty Box" for the collection of sanitary pads within the college premises. The event was conducted from 9.30 a.m. to 12.30 p.m. Hosted at the old Commerce Block, this initiative sought to address menstrual health awareness and accessibility while instilling values of empathy and support within the community. The primary objective of this initiative was to address the need for accessible sanitary pads within our college community. It aimed to promote menstrual health awareness and ensure that all students have easy access to essential hygiene products. Students from various departments actively participated in crafting the honesty box intended for the collection of sanitary pads. Students were provided with materials and guidance from Women Cell members and facilitators to create the Honesty Box. The student-crafted Honesty Box for sanitary pad collection stands as a symbol of our collective commitment to supporting women's health within the college community. The project has not only addressed a crucial need but has also initiated conversations and actions toward creating a more informed and empathetic environment.
