HANDICRAFT PRODUCTS MADE BY WOMEN

Date : 19-11-2019  
Venue : Near Basketball Court  
Time : 12.45 pm

Organised By : Ananya (Women Cell), NIMIT

As a part of international women entrepreneurship day, 'ANANYA'; the women cell of our college has prepared a board with the profiles and quotes of famous women entrepreneurs and displayed it in the main entrance. The initiative was well appreciated as it was informative to students as well as faculties.

Afternoon from 12.45 onwards, we conducted an exhibition and sale of handmade products and handicraft items made by women in our campus. Our Principal Fr. Dr. Paulachan K J inaugurated the programme by purchasing the product. Our Vice Principal Ms Emily Ittiachan, faculties from different departments and students participated in the programme. Every students had an opportunity to see and buy things that are exhibited. Faculties also supported this initiative of girls by purchasing products. The profit from sale is given to the students who brought it for sale.

Women cell also supported the program organized by ED Club on the same day which was a talk with a famous woman entrepreneur Miss Mariya Thambi (Founder of M-Designs, Kochi). The women cell members were the audience for the programme. The programme went on well with the support of the management, staff and students.
