

BODHANA

Peer Teaching/Learning

This is regarding the Earn while you Learn programme initiated by the PG Dept of Commerce, the classes were organized for the weak students of the first year classes for Business Management and Managerial Economics. The peer to peer network acts as the first line of support for students. Peer teaching offers some important benefits for learners and instructors alike. Being taught by a peer can break down barriers that may affect some students and can create a more engaging learning experience. For peer teachers, the experience can deepen their understanding of the subject and impart confidence. The classes held on the following days

26/04/2022 to 29/04/2022, 4/05/2022 and 10/05/2022 at 10.00am to 11.30am.
