## REPORT

In celebration of Women's Day 2024, the Women Cell of NIMIT organized a unique initiative titled "Inspire Inclusion: 'Women in Focus: Empowering Tomorrow's Leaders.'" The event took place on March 7th, when IV-Sem UG Girls embarked on an inspiring journey to visit remarkable women leaders. The students split into 16 groups, with each group meeting inspiring women from various fields. The objective was to interview these leaders and create presentation videos showcasing their stories and insights.

The IV-Sem UG Girls were divided into 16 groups, each assigned to visit and interview a different inspiring woman leader. These leaders were selected based on their accomplishments and contributions to their respective fields, ranging from academia to entrepreneurship to social activism. During the visits, the students conducted interviews with the inspiring women, delving into their personal and professional journeys, challenges faced, and strategies for success. The interviews were insightful and provided valuable lessons to the students. Following the visits, the students worked diligently to compile the interviews and footage into presentation videos. These videos highlighted the stories and achievements of inspiring women, aiming to showcase their impact and inspire others. The college organized a special event to showcase the presentation videos created by the students. Faculty members, students, and guests were invited to attend the event, where the videos were screened and followed by discussions on the importance of women's leadership and empowerment. Prizes were presented to the best interviewers.
